Bring them with you.
Pets are family.

If you're leaving your home because you are experiencing partner/domestic violence, you don't need to leave your pets behind. We will take care of them too - including food, vet visits, and even giving them a safe place to stay in our CompanyON Kennel.

When we say we keep families safe, we mean the whole family.

Call us to learn more.

Northern Kentucky: (859) 491-3335
(Boone, Campbell, Carroll, Gallatin, Grant, Kenton, Owen, & Pendleton Counties)
